Why half hour rates?

We have found that a half hourly based rate is the most cost effective way to relocate your belongings. Charges are from your door to door. E - A - S - Y Easy!

We only charge a flat 1/2 hour call out (within Sydney Metro), as we don't think it's fair you pay a 'base-to-base' charge like you will with a lot of our competitors. The result is a cheaper move. That will leave you all smiles!

^ After hours jobs are classed as jobs that start before 7am in the morning, or run into the late evening after 5pm, or start after 5pm. Please discuss with your specific requirements with your Customer Service Manager at Yellow Express Removals for rates.
